

Make a wish, create a Christmas Wine Wish List

Berry Bros. & Rudd has launched a Christmas Wine Wish List to ensure your friends and family buy gifts you really want this year! Everything is organised through Berrys' website (www.bbr.com), so it's a cinch to add wines, notify your friends and family, and view the status of your list. It couldn't be simpler to buy from, just choose and click and they'll have bought you a gift that you desire - something more interesting than socks!

Brimming with a plethora of the fantastic wines on Berrys' award-winning website, Berrys' Wine Wish List is simple to set up, and add any wines, spirits or events to your Christmas Wine Wish List.

Also new for Christmas 2012, Berrys has launched a range of premium glassware to further enhance the pleasure of drinking wine.

The range of seven hand-made glasses were designed by John Jenkins & Sons with the help of Berrys' five Masters of Wine, who helped to ensure they look supremely elegant on the table as well as deliver wine to the palate of the consumer in a way that will ensure maximum enjoyment. Named The Wine Merchant's Glasses, prices start from £27.50 a pair.

Berrys' Christmas Gift offering has been enhanced this year with an expanded range of 35 parcels priced from £35, including seven food hampers, from Spain, France, England and Italy. Berrys' new Sherry & Nuts gift features toasted and salted almonds, almond stuffed olives and a bottle of Solera Reserva Fino sherry from Emilio Lustau. Whether you are looking to impress a fine wine connoisseur, your whisky-loving friend, or simply want to treat yourself, Berry Bros. & Rudd's Christmas Gift range has something suitable for everyone.

Alongside Berrys' extensive Christmas Gifts, there is an unending list of wines to drink over the festive period, including a tempting Bollinger Champagne promotion and lots of red, white and sweet wine suggestions to enjoy with festive fare. Not forgetting a delicious range of post prandial drinks from Berrys' enviable range of spirits.
